LITTLE LEAGUE TO OPEN SEASON SUNDAY

This year the Mattapoisett Little League will open its season on Sunday, May 10th. Opening day ceremonies will begin at 1:00 P.M. at the Center School field. Mattapoisett residents will have an opportunity to watch all three Mattapoisett teams present and in action. It is hoped that Mattapoisett residents will come out in full force to watch the little Big Leaguers begin the run for the Capeway League championship. The field has been reconditioned with 23 tons of stonedust. The Sports Committee wishes to thank the Pony League team for their assistance in spreading and rolling the infield. It is especially noteworthy since the Pony League does not use the field for any league games. A special thanks to the highway department and Mr. Nunes for donating the use of a truck to haul the stonedust for the league.

The Sports Committee is planning to expand its program to include a Colt League team. In the past few years the Mattapoisett baseball program has expanded to include three little league teams, a pony league team, a colt league team and a minor league system which includes those boys not able to participate in little league. The committee hopes to offers a girls' softball program this summer.

The members of the committee include Mr. Henry Mogilni, chairman; Mr. Louis Pepin, vice-president; Mr. Oliver Lafrance, treasur-

CATHOLIC CHARITIES APPEAL MAY 3-13

An army of 12,000 volunteers is now visiting homes throughout the diocese in behalf of the 1964 Catholic Charities Appeal. These dedicated people carry the hopes of the great many beneficiaries of the 1964 charities. These worthy causes depend on the generous support of all the homes of the diocese. We join in the hopes of the workers that this latest effort in behalf of God's needy ones will be the most successful ever undertaken. All may be assured, that whatever the individual contributor can do for this work will be valued, appreciated and will do much good in the Community.

LETTERS TO THE EDITOR

Dear Sir:

The Old Rochester Chapter of the Citizens Scholarship Foundation would like to express its appreciation through your columns for the response by the citizens of Marion, Mattapoisett and Rochester on "Dollars for Scholars" day, Saturday, April 11.

While the final tally has not yet been completed, we do feel 1964 will again be a good year for the young people in the area who need financial assistance to complete the education they need to serve well their community and country.

I also want to express on behalf of the folks who are active in our organization, our appreciation to your newspaper for the publicity you made available to us.

Many thanks to you all. Sincerely,

Norman J. Cartmill,

President Old Rochester Regional School District Chapter Citizens Scholarship Foundation of America, Inc.

Dear Sir:

Thank you so much for your enthusiastic cooperation which helped to make "The Pajama Game" such a success.

From the very first press release announcing the production, and in each issue thereafter, your generous and willing support has been a most pertinent factor contributing to the success of the show. Your last week's cover and write-up was a tremendous "shot in the arm" to the members of the cast.

With grateful thanks from all of us.

Sincerely,

Mrs. W. H. (Janet) Matthews,

Publicity Chairman.

SUPT. OF SCHOOLS SPEAKS AT PTA

Stronger moral training in the homes was stressed by the superintendent of schools to a large audience of parents at the final meeting of the Parent-Teachers Association at Rochester Memorial School. Mrs. Edmund Arruda presided. A new slate of officers was elected for next year's PTA.

Guest speaker, Joseph C. Kunces, superintendent of Marion-Mattapoisett and Rochester Schools, told his audience that there was a need for stronger moral training by parents in the home. "We see evidence of cheating in state and government positions," he said. He advised parents to train their children to realize that "little cheating leads to big cheating and this is wrong." The superintendent said that he wished that parents would take advantage of the services of Mrs. Shirley Hartley, who is a "full time nurse" at the school. "She is at the school every day, ready to help with the problems of keeping our pupils fit." In commending Mrs. Arruda for "her faithful service to this organization" Mr. Kunces said that the new officers had "big shoes to fit."

The secretary's report was given by Mrs. Paul Gayoski. Mrs. John Hayes, treasurer, reported a balance of $301.73. Mrs. Shirley Leach gave the nominating committee report. Elected to serve office next year were Swen Olaussen, president; Mrs. Henry Tavares, first vice-president; Raymond Bernache, second vice-president; Mrs. Robert Hiller, secretary; Greenwood Hartley, Jr., treasurer; and Mrs. Ainsley White,

Members present voted to donate $50 to the Citizen's Scholarship Fund and $100 to the Bernice Arenberg Scholarship Fund. Funds not to exceed $50 were appropriated for the purchase of first and second grade level books for the school library.

Volunteering to work on the PTA annual country fair were Mmes. Harry Brown, Greenwood Hartley, Jr., Louis Ouellette, Ainsley White and Clifton Vaughan. The PTA installation and banquet will be held at 7 P.M. May 18 at Eugene's Restaurant, Middleboro. Mrs. Philip Fortin will install the new officers. LOSS OF THE BRIG ANNAWAN

On April 4, 1839, Dr. Robbins wrote in his diary:

"News came that the brig Annawan of this place, coming home with a valuable cargo, was wrecked near Bermuda, and the men are reported missing. Several families are much distressed."

The Brig Annawan, 148 tons, the first of two vessels of the same name, had been launched from the yard of Gideon Barstow and Son at the foot of Pearl Street early in 1839. She had made three "Plum Puddin' Voyages" into the Atlantic in the next two years, and had sailed again in July, 1838, under the command of young Capt. Charles Bates of Sippican.

Dr. Robbins made further entries:

April 15, "Painful news received here this morning from the brig Annawan, wrecked. Of twenty-one of the crew, fourteen, including the captain and mates, are lost; seven are saved. Seven from this place; four lost. Visited the afflicted and agitated families. It makes a deep impression. The cargo worth about $20,000

April 26. "Saw a seaman, Chase, who was wrecked in the Annawan. His story is very affecting. Four promising youths of this place were lost."

June 12. "Wrote a letter to Capt. Samuel Mitchell of Bangor, who took our seamen from the late wreck."

Mattapoisett, Plymouth Co.,
Mass. June 11, 1839

Capt. Samuel Mitchell

Dear Sir: Though a stranger, the memory of your name is dear to me and many others in this place, in view of the relief you afforded to the survivors of the Crew of the Brig Annawan, on the third day of March last, saving seven young men from speedy death.

The Brig sailed from this port on the 21st day of last July, with a complement of 21 men, under the command of Capt. Charles Bates, and had a prosperous and successful voyage. On their return, with a carge of 550 barrels of Sperm Oil, within about three days sail of their beloved home, they were suddenly struck with a very heavy sea, on the morning of March 2d, which

carried everything from the deck except the Main-mast; and the vessel was thrown on her side. Of nine men swept from the deck, including Berry the second mate, two of them regained the vessel and now survive.

The vessel righted, filled with water. Of those below, Capt. Bates, the first mate Parlow, and a few others, got out of the cabin and steerage, some of them much bruised. The weather was cold, with rain and hail. The day following the mercury at this place was at five degrees. Mr. Parlow died, a few hours after the disaster, and others successively, till the next morning, when Capt. Bates expired about the time they saw your friendly sail bearing directly towards them.

You had discovered them and determined to

attempt their rescue, before they saw you. Your swinging hat gave them a joy which none but the shipwrecked mariner, in the hour of deliverance, can duly appreciate. But seven of the crew then survived. Your skillful and persevering exertions for six hours, in bad weather and a rough sea, with the favour of a merciful Providence, rescued these half-naked, chilled young men from that death, which otherwise must have been their portion.

Of the crew of the Annawan, seven belonged to this Village, three of whom, Buck, Hall and Snow, survive and are at home; while four belonging to worthy and deeply afflicted families are buried in the deep. Six of the crew, including the three officers, belonged to other parts of the town (Rochester and Sippican) and are lost. Two of the other survivors are in this vicinity and are returned; and the remaining two, Portugese, are yet at sea.

(He is writing this letter at the request of the 3 men named, of their parents, and of the people of the village.) The men tell me that you went two or three times around the wreck, after they were all on board your vessel, to assure yourself that there was no living person remaining. There certainly was not.

In a statement, President Lyndon B. Johnson said, "It is fitting that we set aside this day --Armed Forces Day--to honor the men and women who serve our country in the Army, Navy, Air Force, Marine Corps and Coast Guard. Their contribution to our freedom and safety is measureless. Our national security depends on the maintenance of alert military forces as a deterrent to any possible aggressor."

"Open House" and events such as, exhibits, exercises, parades, demonstrations, aircraft displays and flyovers--will provide the American public an opportunity to see, firsthand, the preparedness of their Armed Forces.

In Massachusetts, there will be 4 U.,S. Navy Bases and 3 Coast Guard areas open to the public, along with 4 Air Force airfields. For the Army, there will be open house and parades at Fort Devens, Ayer; US Army Reserve Center, Worcester; Fort Rodman, New Bedford; Springfield Armory; and the U. S. Army Natick Laboratories.
